• **Examination**

There is an online exam conducted at specified centres (more information on centres available below).

The exam is an open notes exam. You do not need access to website for the notes as we are providing .pdf files of summary notes for all chapters.

Two attempts at the examination are allowed within the fees paid. You should be able to clear the examination with proper effort.

Any additional attempt at the examination will involve an administrative fees of USD 300/- (10% of the base price of USD 3000/-).

You do not actually need access to website for additional attempts as we are providing .pdf files of summary notes for all chapters.

Examination is completely objective, multiple choice type. 40% of the highest score for a particular batch is the cut-off. For example, if the highest score in your batch is say 80/100, 40% of that, i.e. 32 will be the cut-off.
